# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

14th July, 1933.

Dear Sirs,

With reference to my letter of the 25th April last relative to the motorship "SIR CHARLES ORR", I have to acquaint you I am now in receipt of a letter from Lloyd's Agents at Nassau intimating that the Manager of this vessel is now in England, and that it is understood he proposes to have nothing done regarding the modified survey of the oil engines before he returns probably in August or September.

The case has again received the consideration of the Committee today, and in the circumstances they are agreeable to the inspection in question being carried out in August or September, subject to this arrangement being adhered to without fail, and I shall be glad if you will arrange accordingly.

At the same time I think it well to point out that the screwshaft survey will become due at the end of this month.

I am, Dear Sirs,  
Yours faithfully,

Messrs. Eleuthera Shipping Co.,  
Limited,  
NASSAU, N.P.,  
Bahama Islands.

Clerk to the  
Classification Committee.
