

LLOYD'S REGISTER OF SHIPPING  
17 BATTERY PLACE

NEW YORK

December 17th, 1930.

Hugh Boyle, Esq.,

JACKSONVILLE,

Dear Sir:-

S.S. "SIR CHARLES ORR",  
Fax. Rpt. 720.

It is concluded that the propeller, fastenings of the stern bush, sea connections, etc., have been examined on the occasion of this drydocking, and I shall be obliged if you will be good enough to forward the usual Report on Form 9 as soon as possible.

Yours very truly,

Chief Surveyor.

JOC/W.
