Enclosure.

Reference

My dear Bradshaw,

*Ans'd 10/9/30*

Reverting to my letter of the 5th instant, I have the pleasure to enclose herewith the corrected particulars of the length and capacity of the double bottom tanks of the steamer "PENNERF"—Glasgow Report No. 50693. The Builders had supplied the Surveyor with the particulars of another vessel.

Will you kindly substitute the enclosed particulars for those entered on the report?

With kind regards,

Yours faithfully,

*P. H. Warlow*  
*for M. H. L.*

C.H. Bradshaw, Esq.,
