The Secretary,
Sir,

I beg to acknowledge the receipt of your classing letter of yesterday's date regarding the breaking test of the cables supplied to H.M.S. "Daisy".

With reference to the same, I have to state, that the information asked for was intentionally omitted from the Report, as the cables were supplied by the Admiralty, & tested at the Chester Proving House in the presence of their Overseer, to Admiralty requirements, & the particulars taken from the certificates are enclosed herewith for the information of the Committee.

The Anchor & Cable certificates have now been handed over to the Builders.

I am, Sir,

Your obedient servant,
