In closure.

23rd January, 1912.

Gentlemen,

I am in receipt of your letter of the 22nd instant  
S. enclosing a special certificate in connexion with the survey  
during construction of H.M.S. "DAISY".

It is observed that the word boiler is absent  
from the Certificate, and as it is concluded that this is  
an accidental omission, the form has been re-written, and  
is returned herewith duly stamped with a view to your signing  
it in due course before issuing it.

I shall be glad to know that this has been done.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,  
ABERDEEN.
