

Aberdeen

22nd January 1912.

Ridley Towell & James Dickie

The British Admiralty, survey during construction, the Hull, engines, and Auxiliary Machinery, of the steamer "Daisy", a trawler for the Hydrographic Department, built by Messrs The John Duthie & Son, Shipbuilding Coy, Aberdeen, and with regard to same have to state, that the Hull, Machinery, Electric Light Installation, Trawl gear, and other equipment, have been constructed in accordance with the Rules of Lloyds Register of British and Foreign Shipping, for the 100 A1 class, and the materials and workmanship are good. It is also testified, that the Specifications, and Plans, furnished by the Admiralty for our guidance, have been fully adhered to, and the various tests and trials carried out, as prescribed in the Statement of Requirements, and everything completed in a satisfactory manner.

Ridley Towell & James Dickie.
Surveyors to Lloyds Register of B & F Shipping.
