The Principal Surveyor

NEW YORK

Dear Sir:

"URDANETA"

Mr. Holness has sent me your letter to him dated 9th ultimo regarding the above vessel.

In March last I received a letter from London regarding this vessel and then tried to locate the new owner and got the necessary information on April 10th.

The new owner is Mr. Juan R. Giral of Quiriquire, Venezuela who I am informed is using the vessel for transporting asphalt for use in road construction.

On April 10th I wrote to Mr. Juan R. Giral and enclosed a copy of the letter from London and requested an answer at his earliest convenience but, so far I have had no answer.

Yours very truly,

/c/ C.H. WESTBURY

Surveyor
