# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

1st March, 1937.

Dear Sir,

S.

I duly received your letter of the 26th ultimo in further reference to the steamer "OLIMPIA" ex "WRAY CASTLE" ex "PARIA", and in reply to your two enquiries have to say that:-

(1) The period of about four years intervening between the date of launch and the date of completion of this vessel was exceptional in the building of a ship of this type and was due entirely to the special circumstances obtaining at that time.

(2) Having regard to these special circumstances she was assigned a date of build of 1920 in Lloyd's Register Book, this record being strictly in accordance with the Rules of this Society.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

Achille Lauro, Esq.,  
Messrs. Galbraith, Pembroke & Co., Ltd.,

E. C. 3.
