

Achille Lauro, Esq.,  
NAPLES.

Dear Sir,

"OLIMPIA" ex "WRAY CASTLE" ex "PARIA"

Replying to your letter of the 26th inst:-

- (1) The period of about four years between the date of launching and the date of completion is exceptional in the building of such a type of vessel as the above and is due entirely to special circumstances.
- (2) According to the rules of Lloyds Register of Shipping, and in consideration of the circumstances of the building of this vessel, we consider it is correct to classify and record her as a 1920 steamer.

Yours faithfully,
