Dear Sir,

With reference to your letter of the 18th May regarding the proposed reclassification of the "CARMELITA" ex "Rio Verde", I have to inform you that it is usual in such cases to compute the fees on the basis of  $1\frac{1}{2}$  times the appropriate Special Survey fee. On the scale now in operation in Chile, we calculate that the fee would be approximately pesos 1,250,000, but this figure should be quoted as a minimum, the final charge being dependent on the extent of repairs and alterations which may be necessary to meet the requirements for reclassification.

If the Owners decide to proceed with the survey, then you should obtain their signature to the usual request form.

Yours faithfully,

N.W.B.

pro Secretary.

R. A. Loraine, Esq.,  
VALPARAISO.
