Dear Sir,

The S.S. "SALCOMBE REGIS", No 72153 in the Register Book has been in Dry Dock here, she has Lloyds Freeboard Certificate dated July, 22nd, 1921, and the Owners state that they understood that the Classification Certificates are in the hands of the Builders and that she is at present classed.

As no record of classification appears in the present issue of the Register Book, we should be glad to be informed as to whether she is classed or not.

We are, Dear Sir,

Yours faithfully,

*af. Barnett*
