SECTION No. 215

The Second Special Survey No. 1 of this vessel became due in September last, but the Owners have informed the Society's Surveyor at Dairen that as the steamer is employed solely in the Coastal Trade it is not their intention to maintain her in the Society's Classification.

The Classing Committee had the case before them on Friday, 11th instant, and in the circumstances decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
