H. Dear Sir,

I am in receipt of your letter of the 20th ult, regarding the 2nd Special Survey No. I, Boiler Survey and the renewal of the screwshaft liner and neck bush of the steamer "ROKO MARU", for which I thank you.

AS I have not had this vessel under Survey at Dairen, I inquired at Messrs. Dairen Kisen Kaisha's office in Dairen, to find out if the Survey had been held at any other port. They informed me that as this vessel is now used only for Coasting services they did not intend to keep this vessel in class any longer and were under the impression that their Kobe Branch had notified you to that effect. I requested them to send me a letter stating that they wished to withdraw the vessel from class, a copy of which is attached.

I am, Dear Sir,

yours faithfully,

J. Nicholas

The Secretary,
London.
