20th November, 1928.

Dear Sir,

H.

I have to acquaint you that I am in receipt of a communication from the Society's Surveyors at Kobe dated the 15th ultimo, from which it appears that the 2nd Special Survey No.1, Boiler Survey and the renewal of the screwshaft liner and neck bush of the steamer "ROKO MARU" were then receiving your attention.

I accordingly await the receipt of your report.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee

J. Nicholas
