nce The Secretary,

LONDON.

Sir,

In reply to your enquiry contained in the classing letter of yesterday's date in connection with my first entry report No.25282 on the S.S. "WEARWOOD" I beg to state that the spacing of the rivets in the overlap butts in D.E.F.&G. strakes is $3\frac{1}{8}$ " and not $3\frac{1}{2}$ ". I regret this point was not quite clear on my report.

I am, Sir,

Your obedient servant,

J. S. Skube.
