Dear Sir,

I have to acknowledge the receipt of your letter of the 8th instant, forwarding plans showing proposed details of cast iron scuttles for Messrs. Cammell Laird & Co's No. 957, and in reply thereto I have to inform you that, provided the scuttles be made of cast steel, and the covers be secured by a chain to the beam below, the same will be approved.

Five of the plans forwarded are returned herewith, one plan of the scuttles and the general arrangement plan being retained for reference.

I am, Dear Sir,

Yours faithfully,

Secretary.

Secretary,

LIVERPOOL.
