

Lloyd's Register of British & Foreign Shipping,

342, Argyle Street, Glasgow.

9th June 1905

1. Encl.

Sir

With reference to the Turbine Steamer No 444 to be built by The Fairfield S. B. & Co. I beg to forward for the consideration of the Committee a letter received from the Builders respecting the equipment of this vessel.

It is submitted the equipment of ~~hull~~ now proposed might in this instance merit approval.

Copies of the approved plans are in the London office.

I am Sir,

Your obedient servant
J. S. Mares

The Secretary
Glasgow.
