Height of Hatch Coamings

Dear Sirs,

I duly received Mr. Rowcliffe's letter of the 14th instant with which he enclosed one from the Builders of the above vessels, in which they request permission to reduce the height of the coamings of Nos.2 and 3 hatches to 18" in order to facilitate the handling of cargo in the tween decks.

In regard thereto I have to inform you that in view of the degree of protection afforded to these hatches the Builders' proposal is approved, and in accordance with your request I have cabled to you to-day as follows:-

"Bailey's hatch coamings yes - Cox"

I am, Dear Sirs,

Yours faithfully,

Principal Surveyor
