

9 - DEC 1940

Chief Ship Surveyor.....

Received from Chief Ship Surveyor.....

NAME "HARUNA MARU" Rpt. Yka No. 6989

marks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The cross bunker hatch coaming on bridge deck and casing plating and stiffeners in 'tween deck in way require to be renewed.

The YOKOHAMA Surveyors report the vessel placed in dry dock, a bilge keel repaired and minor repairs carried out.

The cross bunker hatch coaming and casing plates etc. in 'tween deck, as above, have now been renewed.

It is submitted the vessel appears worthy to remain as classed with record of survey 10.40.
