Dear Sirs,

I am in receipt of Mr. Crawford's letter of the 25th February last respecting the Steamer "HARUNA MARU", and note that all the Board of Trade Regulations for the construction of Passenger Steamers have been complied with.

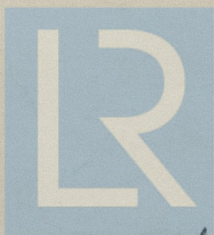

In the circumstances the freeboard given on your report No. 1351, corresponding to the sub-division moulded draught of 28 feet, has been approved, and as this freeboard is stated by you to have been correctly marked on the vessel's sides, the freeboard certificate, in duplicate, is enclosed herewith for issue to the Builders.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
NAGASAKI.
