

S.S. "ALASKA"

A report on form Rpt.8 is now awaited from the Lisbon Surveyors in regard to this case and it is understood, from the Norwegian Shipping & Trade Mission, that they may desire to be furnished with a copy of the report when it comes to hand.

This point should be borne in mind and the question raised upon receipt of the Lisbon report.

W. H. J. S.

2nd January, 1942.
