20th August, 1946.

Dear Sirs,

I beg to acquaint you that the Load Line Certificate of the steamer "EMPIRE CONSEQUENCE" will expire on the 31st October next and I shall be obliged if you will kindly let me know what arrangements you propose making to carry out the requisite renewal survey.

I have to add that the validity in respect of the present adaptation of "Examined LR" also expires at the end of October next and it is thought that you may wish to submit the hull of the vessel to the inspection of the Society's Surveyors, concurrently with the Load Line Survey, with a view to the assignment of a further adaptation of "Examined LR" with date in the Register Book.

Yours faithfully,

Clerk to the
Classification Committee.
