QUESTION

ANSWER

With reference to my letter of the 23rd June, I shall be glad to learn how the case now stands regarding the Special Survey.

I take this opportunity to point out that the Main Boiler Survey will become due at the end of November next.

Date:— 19th July 1960.

The Owners' representative states that the vessel is now laid up at Puerto Molle, due to lack of berths at Valparaíso, and will proceed to this port when "Indus 16" finishes repairs about the 25th of July 1960.
