12th February, 1959

Dear Sir,

sen. (H)

## 'Indus' Vessels

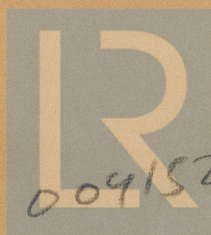

I acknowledge your letter of the 3rd February. There will be no objection to the Special Surveys of these whalers being held as now proposed, provided that in the case of the "INDUS 7" the items seen this month cover the requirements of a General Examination.

I take this opportunity to point out that the Main Boiler Survey of the "INDUS 7" will become due at the end of March, 1959.

Yours faithfully,

Clerk to the  
Classification Committee.

R. A. Lorraine, Esq.  
VALPARAISO.
