9th March, 1948.

Dear Sirs,

s.s. "VASSILIOS E. KULUKUNDIS".

H. & F.

I have to acquaint you that the Owners state this vessel is now on her way to Rotterdam from the United States and that they have given instructions to their Representative at your port to try and complete the outstanding items of the classification survey. I shall accordingly be glad if you will give the case the necessary attention.

The outstanding items of classification survey are as follows:-

All D.B. tanks and deep tanks, except D.B. tanks under machinery space to be tested and tunnel watertight door to be altered to comply with the Rules.

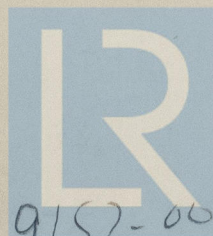

The class is subject to feed water regulators being fitted to the main boilers and to a circulating pump impeller shaft being supplied. The Water Tube Boilers will become due for survey at the end of next month.

I have to add that the vessel's Load Line Certificate will expire on the 30th proximo.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
ROTTERDAM.
