5th April, 1923.

Dear Sirs,

I have to acquaint you that freeboards are required to be re-assigned to the S.S. "ROTENFELS". It is stated that the vessel is due in Antwerp about the 21st instant, where she will be dry docked.

I shall therefore be glad if you will obtain and forward, at your earliest convenience, full particulars as required on the back of report form 11b, in order that freeboards may be re-assigned as desired.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

A N T W E R P.
