Bremerhaven, 1st November 1906

The Secretary

Lloyd's Register of British and Foreign Shipping

LLOYDS REGISTER
LONDON.

London.

Sir!

RECOR 3 NOV 1906

ANSE

Being so often distracted to-night, I have
erroneously written in the letter relating to the *Frederick*
on the *S.S. Potomac* that the *Underdeck* tonnage is
5328 tons whereas in reality it is 5379 tons.

Kindly excuse this mistake

I remain Sir

Your obedient servant
