REC<sup>d</sup> 29 OCT 1906

Sir!

ANS<sup>r</sup>

In separate cover as Commercial Papers I beg  
submit for the approval of the Committee the particulars  
the Freeboard to be assigned for the S. S. Proteusfels  
No. 214 now building by Joh. C. Tacklenborg for the  
D. Ges. Hansa at Bremen

The vessel which will be ready in a weeks time has not yet been  
sailed therefore I could not give the Gross tonnage and had to  
the Under deck tonnage approximately but do not think that  
cause any incorrectness in the Coefficient of Fineness.

For your reference I also have enclosed the approved Midship  
Profile plan of this vessel.

I remain Sir

Your obedient Servant

J. Thomsen
