25th November, 1921.

Dear Sirs,

With reference to your report No.1331 on the machinery of the S.S. "BAIKAL MARU", I have to acquaint you that the total heating surface of the boilers ~~does not~~ agree with the number of boilers stated in the report.

I have therefore telegraphed you today, requesting you to cable the number of main boilers fitted on board, as follows, viz:-

BAIKAL MARU	= Vessel's name
TOTAL	= Total
TEZBO	= Heating Surface
VELVY	= Does not agree
NUMBER	= Number
TAMER	= Boilers
VADCE	= Cable this Office
NUMBER	= Number
TAMLY	= Main Boilers
FITTED	= Fitted

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
NAGASAKI.

Secretary.
