Dear Sir:

Barges "PETROLEUM NO. 4

Referring to your inquiry of the 13th November last respecting the above mentioned barges, I regret to advise that the Owners have decided to drop the Society's class for these vessels. I have delayed replying in order to make an effort to persuade them to retain the Society's class, but I see no alternative now but to take the necessary action in both cases.

I am, Dear Sir

Yours faithfully,

Principal Surveyor
U.S.A. & Canada.

The Secretary,
