ure of Survey..... When due.....

A Periodical Special Survey (C) became due 1.50.

The Owners' proposal to postpone the Special Survey until 6.50 and subsequent request for further postponement until 1.51 were both approved (see letters dated 8.2.50 and 13.6.50).

The Owners now write that owing to the number of their vessels which have been required to undergo surveys in the previous 12 months, they are unable to continue this vessel in class, *for reasons of economy.*

IT IS SUBMITTED the vessel's class be expunged from the Society's Register Book and a red line with date underneath inserted in lieu, indicating non compliance with the Rules regarding surveys.
