# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

15th November, 1947.

Your Ref: M/TD/FEB.

Dear Sirs,

S.

I duly received your letter of the 14th ultimo respecting the Steamer "KUPHUS", the contents of which have now received the consideration of the Committee.

In accordance with your wishes instructions have been given for the vessel's class to be withdrawn from the Register Book and (...) inserted in lieu thereof indicating withdrawal of class at Owners' request.

In connection with future editions of the Register Book, I shall be obliged if you will kindly let me know whether it is to be understood that the vessel will not be used again for sea-going purposes and if so, whether you desire her particulars to be omitted from the reprint of the Register Book or whether you prefer these to remain with a descriptive notation of "Now used as a fuel oil storage ship".

Yours faithfully,

Clerk to the  
Classification Committee.
