Survey Due

Special Survey No.1 due 8, 24.

The main engines and oil fuel installation of this vessel require to be examined under working conditions and the main boiler safety valves adjusted.

Action in regard to this matter and the Special Survey No.1 has been deferred by the Committee from time to time in view of the vessel being laid up.

In reply to enquiry the Cleveland Surveyor writes he is informed by the Owners that the vessel is still laid up.

It is submitted the usual undertaking should now be obtained
