REQD 4 FEB 1924

CLEVELAND, O.,

January 22nd, 1924.

ANSR 6The Secretary,  
London.

Dear Sir:-

I beg to acknowledge receipt of your letter of the 2nd instant regarding steamer "CHIPPEWA" and in reply have to state that this vessel is at present laid up for the winter months. I was unable to make the required arrangements for carrying out the Survey before navigation closed, and will use my best endeavors to have this done just as soon as navigation opens again.

I may say that the oil burners have been taken out some time ago, and presume that it will now only be necessary to examine the main engines and safety-valves under working conditions.

I am, Dear Sir,

Yours very truly,

*E. Drummond*
