Dear Sir,

H. With reference to your letter of the 28th September and mine of the 12th October last relative to the steamer "CHIPPEWA", I have to acquaint you that the vessel retains her class subject to the main engines and oil fuel installation being examined under working conditions and the safety valves adjusted. In the circumstances I shall be glad if you will let me know how these matters now stand.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.
