

Lloyd's Register of Shipping,

The Point,

Neyland, Pem. 16th July 1920

LLOYD'S REGISTER

LONDON.

RECD 12 JUL 1920

ANS^d

Sir

With reference to the Survey with a view of Classification of the S T "John Catling" The owner states he has received a letter from yourself in which you state that the Classification Survey now held will clear the vessel for 4 years, as this vessel was not completed till 7.1918 and does not become due for next until April 1921. I should be glad to know what record of Survey the vessel is entitled to. A copy of letter sent to the owner would also oblige.

I am Sir

The Secretary
London

Yours faithfully
J A Johnston
