10th June, 1920.

Dear Sirs,

S. With reference to your letter of the 3rd instant respecting the Steam Trawlers "JOHN CATTING" and "RICHARD CROFT", I beg to acquaint you that these vessels are reported to be at present under the inspection of the Society's Surveyors at Milford Haven.

The former vessel is being surveyed with a view to classification in the Society's Register Book and as soon as the report comes to hand from the Surveyors the case will be submitted to the Committee of the Society with the least possible delay, after which I shall have pleasure in further communicating with you.

I note your further remarks regarding future surveys required under the Society's Rules and in reply have to explain that as the re-conditioning of these vessels involves an inspection which is equivalent to the Special Survey No.3 a notation of Special Survey No.3 can be recorded in the Register Book on completion if you so desire, and I have to add that if this course be adopted the next Special

due on the vessels would be the Special Survey No.1  
4. If, however, the record of Special Survey No.3 is  
de, the Special Survey No.1 would become due on the  
tion of 4 years from the date of build.

Perhaps you will kindly let me hear further from  
this point.

I am, Dear Sirs,

Yours faithfully,

Secretary.
