

Private Owned Vessel

"JOHN CATTILING"

The Writers might be informed that the Survey report on this vessel has not yet been received from the Milford Haven Surveyors; when this is received the case will be dealt with by the Committee as quickly as possible.

This vessel was built in 1918 and classed with the British Corporation.

S. S. "RICHARD CROFT"

This vessel was built 12-1918 and classed 100A1.

As the Re-Condition Survey now being held on these vessels is equivalent to the No. 3 Special Survey, it is submitted the notation of "S. S. No. 3" might be recorded in the Register Book when the Survey is completed, provided the Owners agree to the notation.

If this notation is recorded, the vessel will not become due for S. S. No. 1 until 1924.

If the notation is not agreed to by the Owners, the Special Survey No. 1 will become due in 1922.
