LLOYD'S REGISTER OF SHIPPING

LONDON, E.C.3

Dear Mr. Cook,

The writer had the pleasure of making your acquaintance when in London in September 1950 dealing with various matters connected with the above mentioned steamer.

We wish to clarify the position regarding a Charter Party with the Board of Trade. These Charterers have presented a heavy claim for damages due to the inability of the steamer to make the proposed voyage to the White Sea, without taking into account the need for repairs which had to be carried out which could not have taken place in that area.

In the circumstances, we take the opportunity of introducing our representative, Captain António Natalino Marques Cordeiro, who is travelling to London and will be personally contacting you.

We shall be most grateful for any assistance you may give him in connection with this matter and wish to avail ourselves of this opportunity of thanking you for the your very kind attention during the writer's stay in your City.

With our many thanks,

Yours faithfully,
