ENCLOSURES.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 10th instant regarding the "ALCANTARA" ex "POLLENZO" and to inform you that you will be in order to carry out the Owners' request to survey the new radio installation being fitted by Marconi. I enclose for your guidance a copy of the Board of Trade publication "Instructions as to the survey of wireless telegraph installation 1939" and have to say that the requirements of Articles 26-32 and 46 of the "International Convention for the Safety of Life at Sea 1929" should be consulted. Authority for the issue of the certificate is vested in the American Committee of this Society by the Government of Panama, and you should therefore forward the requisite report form to the New York Office in order that the necessary certificate may be issued, a copy of the report being sent to this Office. The requisite forms are sent for your use. You should also place on board the ship a report of your survey on Rpt. 10.

The Surveyors,
LISBON.

Yours faithfully,

W. S. S. S.
