This vessel recently sustained damage to the
stem and stem plating through collision, and was temporarily
repaired at Rotterdam to enable her to proceed to Genoa for
dry docking and repairs.

The Genoa Surveyors now forward a copy of a letter
which they have received from the Owners stating that they
wish to withdraw the vessel from class and in the circumstances
the Classing Committee, who had the case before them on
Tuesday, 19th instant, decided to give instructions for the
class to be withdrawn from the Register Book and three dots
(...) inserted in lieu thereof, indicating withdrawal of
class at Owners' request.
