13th May, 1920.

Dear Sirs,

With reference to your first entry report No. 15618 on the turbine machinery made by Messrs. Richardsons, Westgarth & Co., Ltd., and now fitted into the s.s. "WAR RELIEF" (now named "POLLENZO") built at Haverton Hill-on-Tees by Messrs. The Furness Shipbuilding Co., Ltd., I have to inform you that an account has been rendered to the Accountant General, Ministry of Shipping for the fees due for the survey during construction of the hull and machinery of this vessel.

On payment of these fees your account will be credited with £48:6:1 the proportion due for the survey during construction of the turbines and gears, and I shall therefore be glad if you will kindly see that the necessary entries are now made in your Rough Fee and Debit Books in the usual way.

I am, Dear Sirs,  
Yours faithfully,

Secretary.

The Surveyors,

WEST HARTLEPOOL.
