4. Mosley Street.
Newcastle-on-Tyne.

April. 19th. 19 20.

R. Dippie Esq.,
Messrs. Lloyds Register of Shipping,
Middlesbrough.

Dear Sirs,

With regard to your enquiry respecting the omission of the Downton Pump in the steamer "WAR RELIEF" now named "COLLENZO" which vessel has been taken over from the Shipping Controller, I have to say that my firm undertake to fit the pump at a later date if required by the Committee of your Society, as required by the Society's Rules for the Classification of the Vessel.

John Catto.

Representing.
