Strengthened for navigation in ice.

Survey Due Boiler Survey due 4.51.

On the 21st September the Hong Kong Surveyors were informed by the Owners that this vessel was on bare boat charter and that it was not convenient to carry out the Boiler Survey as the vessel did not call at a port where the Society has a surveyor.

The case received the consideration of the Committee on the 9th ultimo and the Hong Kong Surveyors were instructed, by cable, to inform the Owners that unless arrangements were made for the inspection in question to be carried out before the end of October the vessel would loose her class.

The following cable has now been received from the Hong Kong Surveyors:-

"ORBITAL REYOURCABLE SEVENTH NO RELIABLE INFORMATION OBTAINABLE"
