The First Special Survey No.2 became due in August last, but the Owner's Agents have now intimated that it is not intended to carry out the inspection and that it has been decided to withdraw the vessel from the Society's Classification.

In the circumstances, the Classing Committee, who had the case before them on Tuesday, 7th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
