Dear Sir,

I am in receipt of your Classing Letter of the 14th March respecting Colombo Report No.1919 on the s.s."SHINFU", and in reply have to inform you that the port boiler was examined by me on the 9th May, 1946, on completion of the recommended repairs, (See Colombo Rpt.No.1818) and at that time, was, so far as seen, in satisfactory condition. A full boiler survey was not carried out on this date but from an inspection of the lower internal space, no deterioration was noted.

I am, Dear Sir,
Yours faithfully,

The Secretary,
LONDON.
