24th March, 1926.

Dear Sir,

With reference to your letter of the 8th and my reply of the 13th October last respecting the survey of the screwshaft and the 2nd Special Survey No.1 of the oil-engined vessel "DIOLINDA", I beg to acquaint you I am in receipt of a communication from the Society's Surveyor at Dublin in which he states he has written to you in regard to the above surveys, but has received no reply to his communications.

In the circumstances I have to point out that the survey of this vessel's screwshaft, which became due so long ago as August last, should be held without further delay and to request that you will kindly let me know, for the Committee's information, what definite arrangements you propose making to have this inspection and the 2nd Special Survey No.1 carried out.

I am, Dear Sir,

Yours faithfully,

Michael Cardiff Esq.,  
Westlands Villa,  
Wexford.

Assistant to the Secretary.
