Dear Sir,

your letter of August duly to hand, on my arrival home. Re-examination of shafts. I have to inform you, that the ~~actual~~ survey of the "Diolinda" is due next month and I expect to put her through at Arrow end of this month or early next, it is my intention not to reclass the motors again, as I consider it an unnecessary expense.

Will you please inform me what will be your requirements to reclass under the above conditions

Yours faithfully
M. Cardiff.
