survey in June, and the forward screw shaft in September last.

In a letter, dated 8th ultimo, Lloyd's Agents at  
Hobart state they have received a communication from the  
Commissioner of Railways, Tasmanian Government, intimating  
that it is not desired to maintain the classification of the  
steamer in the Society's Register Book.

The case received the consideration of the Classing  
Committee on Tuesday, 20th instant, when it was decided to give  
instructions for the vessel's character to be withdrawn from the  
Register Book and three dots (...) inserted in lieu thereof,  
indicating withdrawal of class at Owners' request.
