DISPATCHED
SECTION 10
(WCHSA)

This tug became due for First Special Survey No.1 in March last, but the Owners state that as the vessel is employed only in harbour duties at Penang they do not consider it necessary to maintain her in the Society's Classification.

In the circumstances, the Classing Committee, who had the case before them on Tuesday, 1st instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

3rd September, 1925.
